Principal Corner

Welcome back and happy spring! I trust you are encouraged and determined to continue each spring day with renewed faith, focus, courage and determination. As we near our 3rd year anniversary, we are delighted with what has grown and blossomed for our scholars. We are also eager to plan for continued growth! Notice the number of family activities we have arranged for this quarter to meet the needs, interests and schedules of our parents. We ask you to also join us in a Parent Leadership Planning Sessions tentatively scheduled for May 29-31 in which time we identify goals and strategies for Legacy family engagement, leadership and outreach. As a school we are working on fully envisioning and meeting our family engagement responsibilities. Please join us every step of the way as together we take Legacy to even higher levels.
